

2023 - Europe, you are at a pivotal point in your history

Update or vacate - it is a pivotal year

The Spirit of the Lord says: Just as continent-shaking movements arose 100 years ago with communism, fascism and world wars, political movements are poised to seize power in your lands. There will be exhausting turnarounds of parties and leaders with power struggles, surprising election results and factions splitting apart leadership teams and cabinets. I will expose deception and show you what is happening behind closed doors. You will have what you tolerate! Go on the offensive and use your authority to rule with territorial impact and influence.

In the midst of crisis, operate in My power and strategy to bring deliverance and prevent demonic chaos. It's not time to escape but to dominate - without fear of backlash. Discern when I am tearing down institutionalised hindrances to the move of My Spirit. I will expose toxic alignments for you to cut off and regraft you to partnerships of My choice. Learn to stand the discomfort of transition and don't return to familiar comforts. Be agents of change and not settlers into the status quo.

Move from hidden places to battle stations - warriors take your place

The political maps of Europe will be redrawn, as countries dissolve old alliances and make new ones. Watch Russia, Iran, China, Taiwan, N Korea this year, but do not allow your heart to grow faint. I am with you. Don't deliberately partner with destruction by agreeing with the threat or by not praying. Your decrees can prevent regional wars becoming global. Wage warfare in the Spirit against the political spirit the enemy is trying to hurl into the vacuum of leadership and national identity and hold fast to Me to resist being pulled into polarised positions that head towards civil war. Refute war in the heavens which tries to disrupt global dissemination of the gospel.

Political Islam and the antichrist spirit will target Europe. Step into My greater authority against these and see angels of breakthrough activated with you. Wage warfare in the Spirit against the spirit of religion and false ideologies by decreeing My promises over the land and raising up watchman prophets. Wage warfare in the Spirit against disease, lack and death by establishing places of radical surrender to host My presence and raising prophets who know how to move in the supernatural. We can turn these attacks away! A network of safe houses for the persecuted church will circle the globe. The underground church will thrive in persecution as it's tested in the furnace of affliction.

I am your supernatural protection and provision - Goshen in Egypt

Do not look to politicians or financial planners, but seek My solutions of wisdom to confound the wise in the midst of global economic shaking. My provision is independent of the world's economy. Discern how and where to plant, and like Isaac reap a supernatural harvest from surrender and intimacy. Remain in Me, put Me first on your agenda and My supply will never run dry.

Do not worry about being impoverished but trust me and I will not only meet your needs but also make you solution centres, supply lines and storehouses of provision for others in every city and town. You will have increased entrepreneurial capacity to open up Joseph-like provision (*Genesis 41:48*). This will move the church from functioning on the fringe of society to becoming an essential service. It will release paradoxical sustained peace and provision in the midst of scarcity, to feed, clothe and shelter others across Europe. There is an urgency to get out of debt. A key instruction at this time is to feast and rule in the midst of your enemies. I am releasing a new revelation of the body and blood of Christ through communion. This will be your protection and abundance. Your refuge is being in the centre of My divine will.

Everything will be tested for unoffendable purity - die to your right to be right!

I am not just the Lamb. I am Lion and King and I want My Ekklesia to be overcomers, strong and purified. Don't recoil from testing moments in everyday life. I will test your relationships, finances, family life, your unconditional love towards others and your obedience to Me. You cannot be effective in this new season without being tested. I will disable your self-reliance. I will kill rebellion and snap Europe's pride to restore holiness, awe, power and fresh authority. Human structures will tumble like a house of cards. Don't operate out of your own skill, gifting or intellect. Operate out of My Spirit. Prefer exposure of deception and public confession of sin to the loss of My Presence.

On your knees! I reveal My secrets to My trembling reverent ones (*Psalms 25:14*). Restore the reverential fear of the Lord and trembling to your gatherings. Beware of trading consecration for convenience and holiness for entertainment. Don't wait to be humbled - it's a choice. Pull back the veil of corruption in your own lives and in the systems around you, including the church. Root out the spirit of people pleasing and flattery. If you don't, you and your churches will wither into social clubs. I am threshing to bring forth righteous leaders. Don't dare restrain My power! I will save world leaders and even politicians you don't agree with, if you let My Word go through you unfiltered in purity. Where you once cried out to Me for romance, now cry out to Me for reverence also.

This is not the season for compromise. I am putting a backbone into you to be an uncompromising church. The institutional, inflexible church will falter and plummet, but My stripped back Presence-driven church will fly high. Prioritise My Presence. A Church on its knees is stronger than an army on its feet. You divided My body, the ekklesia, into camps for your own protection. However, I desire completion. Brothers and sisters around you will sharpen you with their different outlooks and expressions to move you into a kingdom, and not a denominational, mindset. Where the church has lost her cutting edge, I am ripping away the thick blanket of apathy and slumber so that My uncompromising warrior-bride can arise. Celebrity preachers will be measured by My plumbline. This is a holy movement of deep repentance and deliverance from sin. My furious love is testing your hidden heart so don't look through the lens of the spirit of this age. I will confront you with your limitations so that you embrace humility and meekness with no need for human praise.

Prophets - divine disruptors

Prophets, unplug from the noise of your phones and the world. You need to hear Me afresh and receive a new fear of the Lord. Come up to a new level of revelation and increased supernatural authority. My angelic armies are fighting with you. An Ezekiel 1 movement (a new vision of the glory of the Lord) is now required. This will cause you to move and live in a different way. You will pioneer new movements. These prophets will be bold in the public glare and respected in the eyes of the world. They will displace witches, mediums and the "wise ones" of the world. They will dispense My justice, direction and correction in complex situations before leaders, presidents and royalty. There will be a public recognition of prophets as never before. Signs and wonders will accompany My words spoken through them to awaken My body. Make a clear sound, not just a noise. Don't pollute a holy moment with the noise of your unmet need for recognition or carry yesterday's message into your new season. Become weapons of war and threshing instruments in My hand. You will get what you tolerate, therefore decide now what you will admit and what you will delay through prayer to create space for My agenda. Prophetic councils in Europe will engage and back each other. If you choose your way, you'll birth Ishmaels from your work and not the fruit of My promises. Remove Ishmael structures, idols and practices in your lives and society to allow only things born of Me.

Prophets will speak with wisdom to dispel confusion and injustice in all spheres including government, law and finance. Cut down, address, correct, be courageous. As you do you will shine in deep darkness. Defend My kingdom, not yourself. Do not tolerate the spirit of Jezebel, which seeks to lead astray into idolatry and immorality (*Revelation 2:20*). You will steward the

welfare of nations beyond church walls, with signs and wonders accompanying. Jeremiah 1 prophets will enter into the call of public service with razor-sharp vision to uncover the enemy's schemes. They will see in the Spirit maps and plans being hatched underground. Gather younger prophets, make room for them, lift them up, listen to the solutions they carry with fresh mantles. Prophets are an essential part of My plan for Europe. Prepare My people for extraordinary miracles. The frequency of open visions will increase, with a new level of looking upward, interaction and the overlap of heavenly and earthly dimensions.

Tsunami flood - awakening and revival

My Holy Spirit fire is coming like a tsunami flood to surge into every sphere of society in Europe. It will be unexpected, but the ones staying close to Me will see it coming and prepare. As in the days of Noah I will destroy everything not built on My foundation: human structures, philosophies, false doctrine etc. Young missionaries will be propelled into all the earth, especially Muslim countries. Passion and fire will be the trademarks of this new reformation. Evangelistic events and tents will sweep Europe and stadiums begin to fill. Lifestyle evangelism will become normal. Keep your eyes open, keep your heart right. I'm the God who keeps His covenant and I have not forgotten Europe. The great commission is being restored in churches to teach, train and mobilise people to reach the lost. You will see signs, wonders and miracles in direct correlation to your level of consecration. Be so well-oiled by My anointing that no compromise can hold you. I will birth hope out of chaos and discomfort. History is Mine - the enemy has no power to change My timings or My purposes. Let go of borders and barriers in the Spirit to My glory. This new movement will be founded on new apostle/prophet partnerships. Prodigals will be freed, saved, delivered and matured rapidly. They will think outside the box. The clarity of the gospel will shine amidst confusion. Old structures will not and cannot hold the new wave of My Spirit. Where the enemy's work masquerades as Mine, discern it. Stay close to Me and continue in My work. This movement of the Holy Spirit will be unstoppable as a raging fire (*Acts 5: 38-39*)

Footnote:

“During the days of Jesus, Ekklesia (the Greek word translated into English as “church”) was not religious in nature or connotation. In fact, by the time Jesus first uttered the word in the gospel of Matthew, it had been in use for centuries in both the Greek and the Roman empires and referred to a secular institution operating in the marketplace in a governmental capacity.” Ed Silvano, Ekklesia. Rediscovering God's instrument for global transformation, p.19.

In this document we use the words church and ekklesia interchangeably, since the church was always meant to be the ekklesia present in every sphere of influence, including belief.
